Nail that fixing job!

Cordless nailers make projects like installing moulding and overhead framing easier and quicker by eliminating the need to hammer by hand. With Ryobi's brad nailer, finish nailer and stapler, you will have every fixing job covered.

Don't get tied down

Enjoy the freedom of cordless. With no bulky air hose to worry about you can move freely and have unlimited range, even in places where swinging a hammer would be virtually impossible.

Safety first

Safe to use on ladders and scaffolding where there is no chance to get caught up in the air hose.

A nailer for every job

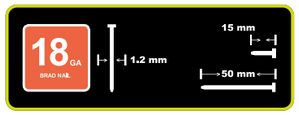

Each nailer is designed to take different sizes of nails and staples so all your home improvement and fastening jobs are covered.

ONE+ System

As part of the ONE+ System, you can use the same Lithium+ battery to power a range of different power and garden tools.

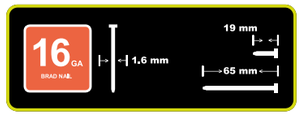

Your guide to choosing the right nails

Brad nails

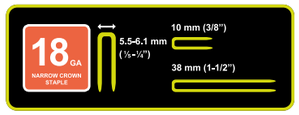

Ideal for fixing wood without using screws or pre-drilling.

Finish nails

A brad nail won't offer sufficient depth or width to hold all types of finishing pieces.

Staples

The stapler is your furniture building gun.

R18N18G-0
18V Cordless 18G Nailer

- AirStrike™ Technology provides cordless convenience, eliminating the need for a noisy compressor, bulky air hose or expensive gas cartridges
- Fires 18 Gauge (1.2mm) nails from 15 to 50mm long
- 2 firing modes, full sequential mode for precision and contact actuation mode for rapid fastening
- Grip-light technology engages twin LEDs by grasping the handle
- Tool less depth of drive adjustment helps protect work surface and allows proper setting of nail heads
- Dry-fire lockout prevents the tool working without nails loaded
- Tool less jam release for easy removal of clear nails
- Low nail indicator so you can see when it is time to re-load
- Belt hook mounts left or right side for added convenience
- Includes 2 non-marring pads to keep work surface free of tool marks
- Fire up to 600 50mm nails into pine using RB18L15
- Fire up to 1600 50mm nails into pine using RB18L40
- Runtime can vary by tool, battery and application

Also Available as

x1	18V Cordless 18G Nailer (1x1.5Ah)	
	Name: R18N18G-L15S	Product Code: 5133002307

Voltage (V)	18
No. of batteries supplied	0
Charger supplied	–
Magazine capacity brads	105
Nail type (mm)	1.2
Weight with battery pack (kg)	2.93
Article Number	5133002093
EAN Code	4892210128058

Standard equipment (R18N18G-0)
500 x 32mm nails, 2 x no mark shoes, reversible belt hook

x0

R18N16G-0
18V Cordless 16G Nailer

- AirStrike™ Technology provides cordless convenience, eliminating the need for a noisy compressor, bulky air hose or expensive gas cartridges
- Fires 16 Gauge (1.6mm) nails from 19 to 65mm long
- 2 firing modes, full sequential mode for precision and contact actuation mode for rapid fastening
- Grip-light technology engages LED by grasping the handle
- Tool less depth of drive adjustment helps protect work surface and allows proper setting of nail heads
- Dry-fire lockout prevents the tool working without nails loaded
- Tool less jam release for easy removal of clear nails
- Low nail indicator so you can see when it is time to re-load
- Belt hook mounts left or right side for added convenience
- Includes 2 non-marring pads to keep work surface free of tool marks
- Fire up to 375 65mm nails into pine using RB18L15
- Fire up to 1000 50mm nails into pine using RB18L40
- Runtime can vary by tool, battery and application
